## Lakehead U Lectures @your library<sup>®</sup>

Thunder Bay Public Library is pleased to partner with Lakehead University in this lecture series. This is your chance to learn about hot topics from those knowledgeable in the field.

### What I've Learned from People Living with Dementia

**Saturday, October 4 @ 2 pm**

**Mary J.L. Black Community Program Room**

People living with dementia are often stigmatized, avoided and defined solely by their diagnosis of dementia. But, when we see beyond labels and stigma, people living with dementia have significant contributions to make. **Dr. Elaine Wiersma, Department of Health Sciences** and her team will present what they have learned from people living with dementia.
